

BE LOCAL *at* HEART AND TAKE CARE OF EACH OTHER

RECOMMENDATIONS AND BEST PRACTICES FOR RETAIL REOPENING

Rethink your space...

Limiting store occupancy to 20% of maximum capacity to maintain physical distancing.

Reorganize your space to allow for one-way foot traffic and increased physical distancing.

Use tape or creative decals on the floor and sidewalk to reinforce physical distancing.

Establish where children are permitted in your store.

Keep doors and windows open when possible.

Provide plexiglass at POS to protect both employees and customers.

Limit customer time in shop to avoid wait lines.

Resources

- Visit the [CDC's website](https://www.cdc.gov/coronavirus) for information on cleaning and more.
www.cdc.gov/coronavirus
- [EPA's List of Suggested Cleaning Products](#)
- Use [Supplyconnector.org](https://supplyconnector.org) to find out where you can get needed supplies

For Customers...

Provide touchless **hand sanitizer** for customers.

Don't allow customers to bring **food, drink or pets** in the store.

Only allow customers wearing a **face mask or covering**.

Post expectations for customers in the window and share them on Social Media and your website.

Stop hand shakes and use **non-contact greeting methods**.

Don't allow customers to use your **restrooms**.

Designate specific store hours for senior citizens.

Adjust store hours to allow for **personal shopping** sessions.

Maintain social distancing standards by maintaining 6ft or 2 arms-length distance between you and other customers.

Offer personal shopper services to reduce the number of customers touching merchandise.

Offer **online/telephone orders** and **curbside pickup** for all orders.

Offer Facetime/Skype shopping for customers.

RECOMMENDATIONS AND BEST PRACTICES FOR RETAIL REOPENING

Keep Clean...

Wash **hands** and use **hand sanitizer** often.

Clean all **touch points and dressing rooms** after each customer.

Clean all **touch points and dressing rooms** after each customer.

Clean and sanitize the store regularly. Follow resources provided by the [CDC](https://www.cdc.gov).

Offer **touchless checkout** when possible.

Wipe down check out stations with sanitizing solutions after each customer.

Provide q-tips for customers to use on credit card machines.

Consider **eliminating using cash**.

Increase the minimum limit for signing credit cards at POS so customers will not need to sign a paper copy. This will eliminate the need to sanitize pens and other touch points.

Provide new gloves for each customer.

For Employees...

Wear **masks or face coverings**. Consider making branded ones for your business.

Maintain **6ft distance** from customers.

Consider no-touch **daily temperature screenings** for staff.

Consider no-touch **daily temperature screenings** for staff.

Avoid touching your face and cover your coughs and sneezes.

Make employees aware of plans in place for cleaning the space, personal hygiene, and if they get sick.

Encourage employees to stay home if...

- You are **feeling sick**
- You have a **sick family member** at home
- Are at **higher risk** for contracting COVID-19

BE LOCAL *at* HEART AND TAKE CARE OF EACH OTHER

UNDERSTANDING PHASE ONE

On **Friday, May 8 at 5pm**, North Carolina will move to Phase One.
